Xiangguang Sun

PhD Student | School of Cyber Science and Engineering, Wuhan University

xiangguang.sun@whu.edu.cn | ORCID: 0009-0003-6969-2287

EDUCATION

Wuhan University | PhD student

2026–present

Huazhong University of Science and Technology | Master's degree

2023–2026

Qingdao University | Bachelor's degree

2019–2023

RESEARCH INTERESTS

Provable security; authenticated and multi-recipient key encapsulation; complex-variable chaotic systems; hardware-oriented security applications.

PUBLICATIONS

HONORS AND AWARDS

National Scholarship for Graduate Students, Huazhong University of Science and Technology, 2025

Outstanding Graduate, Huazhong University of Science and Technology, 2026
